

HOSPICE

OF THE GOOD SHEPHERD

Giving for Care

At Hospice of the Good Shepherd we are committed to being here to support people living with life limiting illnesses, their carers and families.

By regular giving you can make a real difference and help us support the best possible quality of life for the people we care for.

Hospice of the Good Shepherd costs £4m per year to run.
Your regular donations would be contributing towards the following:

To provide food and drink for a patient in our in-patient unit for one day	£15
An adult counselling session of an hour	£25
A children's counselling session for an hour	£50
A physiotherapy session for an hour	£50

Donating regularly on a monthly, quarterly or annual basis is one of the best ways in which you can support our work. The payments are collected automatically, thus cutting down on administration costs. It's really simple to set up, please use the form overleaf. Help us to care for others tomorrow.
